Yuma Liberty & Freedom Livestock Show

March 13 & 14

APPROVED
Alan Kircher, Deputy
Building Official

This show will be 3 rings with 3 separate species being shown at one time. We will require masks to be always worn on the fair ground show area. We will have the bleachers marked off for 10x10 family seating. There will be hand washing stations and sanitizer available as well.

When the exhibitors check in they will be asked if they or anyone in there group has a fever or other heath issues, and if they do they will be asked to leave.

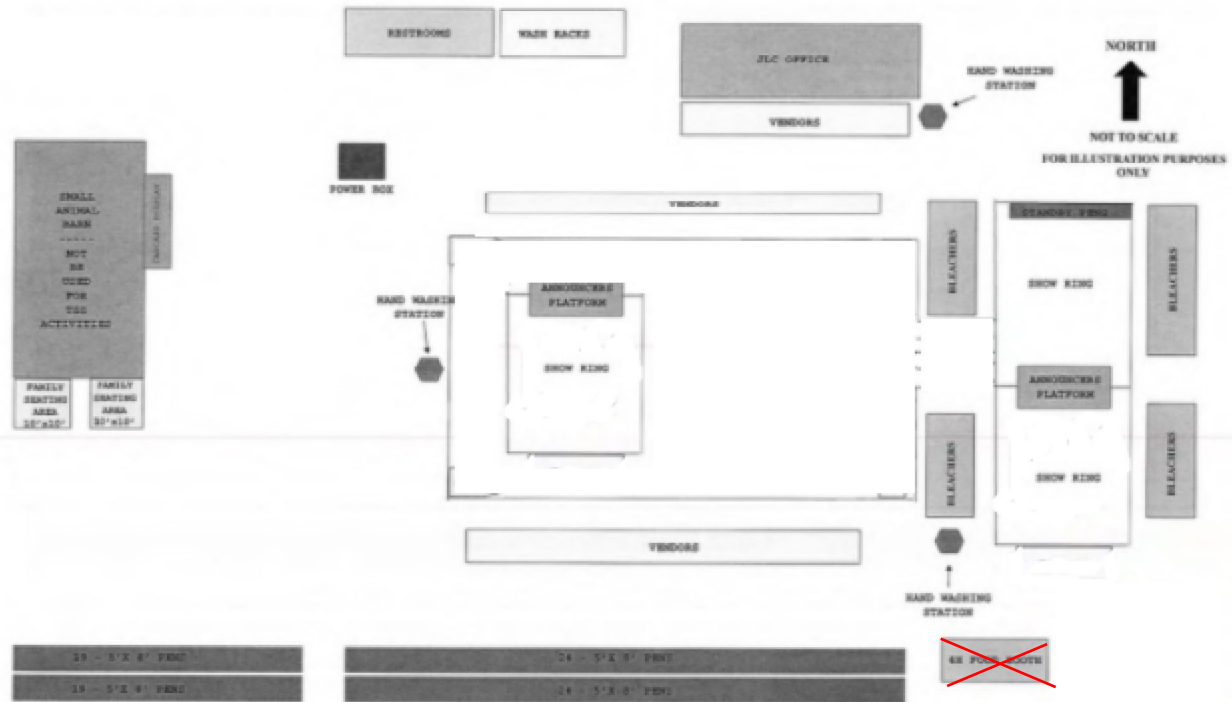

The staff at each ring which is 4-6 will be enforcing the wearing of the masks, along with the other 6 staff members who will be walking around enforcing the masks. Restrooms will be checked twice daily and cleaned each night. The showing will be wiped down between species to help with the spread of covid. We will have several Mask Up signs on the premises, as well as 6' social distancing signs hung around the property. **There will be no food vendors at this event.**

Face masks and social distancing are required for this event.

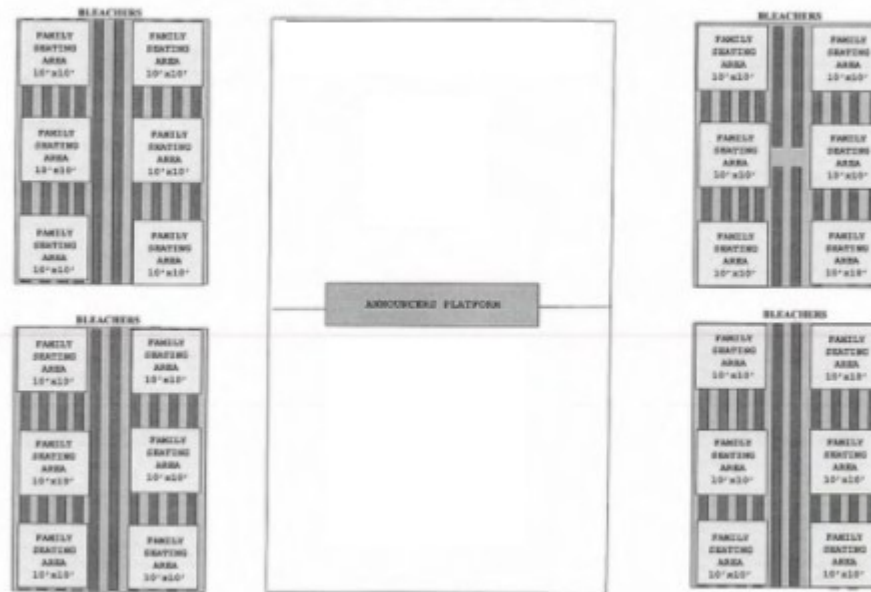

We anticipate around 150 exhibitors to exhibit at the event. We are encouraging them to show from the trailers, so they stay in the trailer area. Families do not tend to linger in the show area, as they come watch the child and return to the trailer area right after. We held an event the same this weekend and around the show ring was around 20-40 people all wearing masks and staggered around the area. The families are really doing their part. **This event is not a public event and is not advertised for the public to attend.**
